PROFILE

I began my journey in 2018 with expanding my capacity in education that would refine who I am and wanted to become. I concluded that in 2022 graduating **Cum Laude** at **Southern New Hampshire University**, ultimately achieving a Bachelor of Graphic Design. Course work included: Media Art and Design, 3D Design, 3D Modeling, Product packaging, Photography with editing, and Digital Illustration. Additionally, my prior 25 years eruditions demonstrate: excellent customer service skills, extensive retail standards and practices, effective time management, a deep respect and execution of deadlines, while performing superlative verbal and written communication in English, admirable organizational skills and aptness to work with others.

EMPLOYMENT HISTORY

2008
